Early On[®] Oakland Community Resource Guide

A guide to finding the right resources
to match a child's and family's needs.

Don't worry. But don't wait.

If that little voice inside your head is telling you that something “isn’t quite right” with your baby or toddler, don’t wait to reach out for help. The first years of a child’s life are too important to let slip by, waiting to see if your little one “outgrows” your concern; put your mind at ease, and give your child the help he or she may need.

**Call Early On[®] Oakland at:
248.209.2084 or 866.456.2084**

Early On Oakland[®] coordinates services for families with children birth to three years who have a developmental delay or health condition. Your Service Coordinator will help you identify activities, programs and other supports to connect your child and family to what you need.

**Call Early On[®] Oakland at:
248.209.2084 or 866.456.2084**
