Thank you for your interest in the Down Syndrome Guild of Southeast Michigan's (DSGSEMI) 2017 Scholarship Program. We very much appreciate your request to partner with us in providing medical, educational and summer camp experiences for your family member with Down syndrome.

However, we regret to inform you that DSGSEMI will not be awarding scholarships during 2017.

We currently are reviewing our scholarship criteria and soliciting funding so that we may confidently offer scholarships in future years. While our hope is that we may resume awarding scholarships in 2018, we find that 2019 provides a more realistic timeframe.

If you would like to volunteer to help us raise scholarship funds, please do not hesitate to contact us at 248-556-5341.

Kind Regards,

*Your DSGSEMI Board of Directors*
