

August 2010

We are following up on the email that was sent to your attention on June 24, 2009 regarding the *Parents and Schools in Partnership* proposal we have extended to all school districts in the tri-county area. To date, we have eight school districts (and counting) that have agreed to participate in our program! Add your school district to our growing list of participants!

We have scheduled an overview breakfast to discuss our *Parents and Schools in Partnership* program in more detail. At the breakfast, you will receive an in-depth look into our program, have the ability to collaborate about the needs of your district, increase educator knowledge on best practices for serving students with Down syndrome and appoint someone from your school/district to be a Down Syndrome Specialist.

The overview breakfast will be held on September 23rd at 9:00am – 12:00pm
The location is the Gary M Doyle Professional Development Center at Booth School
7273 Wing Lake Road, Bloomfield Hills, MI 48302

29688 Telegraph Road
Suite 200
Southfield, MI 48034

248.327.6154 phone
877.487.4905 toll free
248.327.6227 fax
www.dsgsemi.org

Please find attached the program overview and a program application that you can return to me at 29688 Telegraph Road Suite 200, Southfield, MI 48034.

I hope you will take a few minutes to read the enclosed materials and to then assign a Down Syndrome Specialist for your district. I am available to answer any questions that you may have about our upcoming program and the additional services that the DSG can provide to your school district.

Best regards,

Paulette Duggins

Program Director

enc.

Thank you for all that you do to provide quality education for our students with Down syndrome. The entire community benefits from your efforts.
